Dear Ms. ^{Monica} Otero;

The purpose of this letter is to thank you and your company for your efforts supporting my VETBIZ application. I was extremely pleased with the prompt, professional and courteous support that you unfailingly provided at every turn during this application process.

As a Disabled Veteran trying to establish my own business, I found the process almost un-navigable on my own as I initially began my application for Service Disabled Veteran Owned Small business. Cloveer Inc. provided the help, guidance and knowledge that were needed to successfully achieve the SDVOSB status that my company received on 12 May 2016.

My warmest regards,

Richard F. Holihan
