Dear Stephanie Miller:

Congratulations! The U.S. Small Business Administration (SBA) has certified your firm as an Economically Disadvantaged Women-Owned Small Business (EDWOSB) eligible to participate in the Women-Owned Small Business Federal Contract Program (WOSB Program), as set forth in Title 13, Part 127 of the Code of Federal Regulations (CFR).

Your firm's WOSB Program renewal date is **7/8/2027** to align with your 8(a) Business Development (BD) Program certification.

In order to maintain your EDWOSB certification, as an 8(a) firm, you must remain in compliance with both the 8(a) BD Program and the WOSB Program. The 8(a) BD program requires annual program recertification and a positive evaluation from your servicing district office to meet the 8(a) Program's requirements set forth in 13 CFR § 124.112. Your EDWOSB eligibility aligns with your continued eligibility for the 8(a) Program as long as you are participating in the 8(a) Program, and you must ensure you meet the eligibility requirements for both programs. If you are no longer participating in the 8(a) Program, you must report a material change to the WOSB Program. Instructions for maintaining EDWOSB certification are available at 13 CFR 127.400 and at <https://wosb.certify.sba.gov>.

Your firm must immediately notify SBA of any material changes that could affect its eligibility in accordance with 13 CFR 127.401. This notification must be in writing and must be uploaded into the firm's profile in [wosb.certify.sba.gov](https://wosb.certify.sba.gov). Your firm must not misrepresent its EDWOSB certification status to any other party, including any local or State government contracting official or the Federal government or any of its contracting officials.
